## Appendix

The review is to fill in before the maintenance negotiation. The parents' are recommended to bring all the certificates on their presented incomes and costs, so they can prove them right to the other negotiation part, if needed. The certificates are also needed if the parent evaluates their maintenance ability *insufficient ja present a maintenance that is lower than 172,59€/month (2022) per child, or if it is needed to evaluate the child's right to child maintenance allowance from Kela.*

- A valid maintenance agreement or court order, if the child supervisor do not have this information
- Your last tax decision with details
- An up-to-date report on this year's work earnings and the whole earnings from last year (holiday bonus and legal reductions included)
- Report on business incomes (result count, balance sheet and accountant's receipt on personal withdrawals)
- Decision and payment notice on pension incomes
- Decision and payment notice on social benefits (eg. unemployment allowance, Kela benefits)
- Documents on other incomes
- Education certificate on education length and decision on student benefit
- Certificate on student loan instalment and interest
- Certificates on permanent resident housing costs (rental agreement, water bill, electricity, condominium payment, mortgage instalment and interest, home insurance with details, heating, property tax, waste costs, property rent)
- Report on travel costs in connection to work (from where to where, km per one way, tax percentage for tax reduction evaluation)
- Possible social assistance decision
- Certificates on child's hobby expenses, daycare costs, insurance costs
