

Timetables for regional public transport

Kesä 2025

2.6.-3.8.2025

Ticket products, prices, age groups and discounts are different in the traffic supplied by ELY and market-based traffic. Tickets for some of the ELY lines and market-based traffic lines can be found on the Matkahuolto's application Trips and Tickets. If you can't buy a ticket from the application, check the operator's own website.

The departure times for the bolded stops are exact. The departure and arrival times for other stops are estimates and may not always reflect reality.
