

# Timetables for regional public transport

## Summer 2026

1.6. – 9.8.2026

Ticket products, prices, age groups and discounts are different in the traffic supplied by Traficom and market-based traffic. Tickets for some of the Traficom lines and market-based traffic lines can be found on the Matkahuolto's application Matkat. If you can't buy a ticket from the application, check the operator's own website.

The departure times for the bolded stops are exact. The departure and arrival times for other stops are estimates and may not always reflect reality.
